This is another five star resource by Ron Rhodes. ...

This is another five star resource by Ron Rhodes. I have been through the new testament four times in the past two years. This year I decided to do the new testament along with my study of the old testament so I got this book. It is non-prescriptive thinking and doesn't endorse any one version of the Bible so you can use your "favorite Bible". It helps guide you for life lessons with thought provoking questions for self insight and Christian growth. It can be used for personal or group Bible study. I use it for my personal daily and I keep a daily study journal making notes for my personal growth. If you are a new believer, you would never regret using this book!

Learn amazing, in depth knowledge of the New Testament

By Melissa

Mr. Rhodes begins by giving some background to the New Testament. He teaches of the number of books held within, the authors, the four books of the gospel and the books that follow them. He closes his introduction with a look at the book of Revelations. There is a wealth of information contained in these introductions. After reading Mr. Rhodes' book I do have a better sense of how difficult it is for an author or scholar to place the events of the Bible in chronological order. Mr. Rhodes provides and discusses what those difficulties are and how he sees the approach to combat them. What you will find in each chapter is an extensive devotion that will make you think, read and learn. The chapters have introduction material, overviews, insightful thoughts, chapter themes, application lessons and more. I felt this was more of Bible study lesson than a daily devotion. There was a lot covered with each day, and very in depth, but given the amount that needed to be discussed regarding the whole New Testament I can understand. If you really want to learn more about the New Testament than what your basic knowledge may be, I highly suggest this book. Very informative and well worth the time.

I received a free eBook in exchange for an honest review.

The Testimony of the Four Evangelists?

By Mal Tomlin

Faith is trusting in that which we have sufficient reason to believe is true. When we posit "The Bible, the whole Bible, and nothing but the Bible" we are merely agreeing with Jesus. Further, Jesus claimed to be no less than God incarnate and per the testimony of the four evangelists; He is not a liar, lunatic or legend. If the inclination of your heart is not towards the things of God you must be "Born again." We always chose according to the greatest inclination of the heart at the moment of choice. The best choice is the real Jesus.
