A great read...

By Sue C. Reed

A great read, especially for those who grew up in or near Pollard. Ms. Lentz writes with frankness and wit which allows the reader to see this small community in Jessamine County, KY from a deeper perspective. I found myself joyfully laughing and frequently saying, "I remember doing that, she's lived my life!"

I grew up next door to Pollard, The country stores were our shopping center. They were a place the men hung out in cold weather or after a big rain when it was too wet to go into the fields. I remember my mother talking about the people she writes about in the book. Brought back a lot of memories.
