It will not waste your time. Believe me, guide will certainly show you brand-new point to review. Simply invest little time to open this online e-book *A New Economic View Of American History From Colonial Times To 1940 By Jeremy Atack, Peter Passell* and also read them wherever you are now.

From the Back Cover

Even though it's no longer very new, the "New Economic History" remains vital. Its hallmark is the application of economic theory and statistical methods to problems in history. New sources of data and advances in economic theory continually offer the opportunity for fresh looks at old and new questions. Since the initial publication of *A New Economic View of American History* in 1979, the field and its practitioners have matured considerably, and a torrent of new research has been performed. New chapters on long-run growth, the market for labor, population distribution and growth, financial markets, the changing structure of American industry, and the Great Depression have been added. Thus, Jeremy Atack and Peter Passell have filled the gaps that existed in the first edition, fashioning a true survey of America's economic history from colonial times through the New Deal. Did mercantilism cause the American Revolution? Was slavery profitable? What contribution did migration and immigration make to the economic growth of the nation? How effective has government intervention been in the redistribution of income? Do we know enough about the causes of the Great Depression to prevent another one? Did the New Deal save American capitalism or undermine it? What is the record on tariff policy? These are just a few of the centrally important questions in American history that are illuminated in this book.

Good

By Du Xue

Very useful, in good condition

1 of 2 people found the following review helpful.

One of the best economic history books out there

By Peter C. Grosso

This book gives you a great view of the nation as it develops. Instead of walking you through a timeline it explains in topics so that you have a full understanding of the development in every area.

college textbook

By Patricia Kaczmarek

My son needed this textbook for a college class. It arrived really fast, in good condition, as advertised and saved us over \$100. compared to the school bookstore price.
