A WOMAN NAMED DAMARIS (WOMEN OF THE WEST BOOK #4) BY JANETTE OKE PDF

She was almost fifteen on the night she dared for the first time to think of what life might be like away from the home. Pa again had come home drunk and mean; the trauma of the subsequent scene had been repeated as long as Damaris could remember. The idea that she no longer needs to tolerate this, that maybe she's old enough to manage on her own, is planted in her mind and begins to grow. She must plan her escape carefully, but she must get away from him.

When the opportunity comes, Damaris carries with her the strength of her mother's love. Two treasures hidden for years from her father--her grandmother's lacy golden brooch and her grandfather's lovely watch--are Damaris's only legacy from her past. That and her name. Her mother said it came from the Bible and had a special meaning that she can't remember anymore. What difference might it make?

But Damaris can't escape the "aloneness" that haunts her life of the bitterness she feels when she sees others suffering, particularly children. Ultimately, she must come to terms with her past, learn to live in her present circumstances, and trust her future to another Father.

SHE DISCOVERED MUCH MORE THAN THE MEANING OF HER NAME IN THAT BOOK

I LOVED this book!

By A Customer

This book is about a girl named Damaris. She grew up in a home with an alcoholic and abusive father. She finally decides to run away. Damaris joins a wagon train heading west. When she finally reaches the end of the journey, she finds herself working for three people, all who are good to her. She boards with one of them, but she finds a true friend in Miss Dover, another of her employers, who helps her find what she has been

searching for : her name in the Bible. With the search for her name, she finds something more, something that Damaris desperately needs : a relationship with God. Her faith helps her through many challenges, including her adoption of three orphan children. One of the things I love about this book is the connection to the Prairie Legacy series. (*Note* look at the name Lewis to find the connection!) Janette Oke fans will love this book. Even if you've never read them, you'll still love it! So read it as soon as you can get your hands on a copy!

Great story about surviving an abusive household

By Anna M. Vandenhazel

Damaris Withers leaves home to escape her abusive alcoholic father, and joins a wagon train to help a family going west. When she leaves the wagon train at the final destination, the landlady at a boarding house helps her find employment among her friends. Eventually she becomes the guardian of 3 children whose parents have died, and with the help of friends, including one special young man, she is able to take good care of them. This is a great inspirational story about someone who isn't afraid of hard work!

A book to read (better in the tub!!!)

By A Customer

I just adored this book! I read the end over and over again! I believe this to be one of her best! I've read so many of Janette Oke's books but I love this one so much!
