Nice job Mr

By Amazon Customer

I had a hard time putting this book down. Nice job Mr.! Very informative and straight to the point.

Basic Military History Read

By John Hopkins

This is not (or was not for me) an easy read. Having said that the book delves into the necessity for a consideration of "moral" in an army. I do not believe that maral will always win the day but it can (and I believe does) make a difference.
