Most helpful customer reviews

1 of 1 people found the following review helpful.
survivors

By Leonard R. Black

This is a fine book but I found it was a little more jumping around then I really like to read, other wise another great book on the Holocaust, I did really get into several of the characters stories and they were fantastic, every one should be taught some thing on the Holocaust, we cannot let it die like a lot of things have in the teahing in our schools
