Review

'... a more important contribution of Tambiah's is to have clarified Leach's understanding of structuralism and functionalism and to explore how he reconciled them in quite innovative ways. ... he offers an interpretation of Leach's work from the point of view of a distinguished contemporary ...'. Journal of the Royal Anthropological Institute

About the Author

Stanley J. Tambiah is the Esther and Sidney Rabb Professor of Anthropology at Harvard University. He received his PhD from Cornell University in 1954. He joined the faculty at the University of Cambridge, where he taught for ten years, and was a Fellow of King's College. He went to the University of Chicago in 1973, and moved to Harvard University in 1976. He began field work in Sri Lanka (1956-59), the island of his birth, and later worked in Thailand. He is the author of eight books.

EDMUND LEACH: AN ANTHROPOLOGICAL LIFE BY STANLEY J. TAMBIAH PDF

Edmund Leach is widely regarded as the outstanding figure in Cambridge archaeology in the second half of the twentieth century, and as one of the leading social anthropologists of his generation. Stanley Tambiah's intellectual biography covers his professional career and reviews his writings. The work is organized chronologically--providing an introductory assessment as well as a closing portrait. Two brief chapters discuss Leach's early years, but the bulk of the book deals with his anthropological projects.

Most helpful customer reviews

0 of 0 people found the following review helpful.

It is a very good read.

By Norman E. Long

A fascinating account of the life and contribution that Leach made in his notable and often extraordinary career as a social anthropologist. His close friend Stanley Tambiah has done a splendid job of providing us with an insight into his personal and academic life during his wartime service and experiences in Burma, which contributed to his becoming a committed anthropologist. It is a very good read.
