## LAYLA, THE THIRD BOOK OF THE ALPHA SERIES

"It isn't a choice. You will be mine."

Layla...

Layla had her heart broken too many times. After dating a bad guy then losing Jared to Elisa, she's done with men. She realizes she doesn't need a man in her life and chooses to keep it that way. She decides to leave the bartending job she has and pursue her dream, working as a writer for a fashion magazine. When she meets Kyle on a late night, she blows him off like all the rest. The only problem is, he won't let her. As much as she tries to ignore the attraction and connection she feels for him, it's still there. Before she knows it, she's claimed by him. But she's not sure if she wants to be...

Kyle...

Kyle isn't much different than his brother, Ethan. He's been around the block many times and doesn't plan on changing his mind. But when he meets Layla at the bar, he isn't only attracted to her, but amazed by her. After Layla beats up a guy for talking to her the wrong way, Kyle is infatuated. Her strong personality and no bullshit attitude immediately suck him in. He's never met someone who was as much of an alpha as he. He pursues her despite her rejections, knowing he has to tame her.

So far I've only read the sample.....

By HeatherT

I tend to wait until I read the whole book but due to financial restraints I'm unsure when I'll get it, however I felt I needed to address something in the book.

NO professional businessman would joke about an applicant needing to sleep with him for a job. Especially since he was basically stalking her at her job over the previous days. She could easily sue him for sexual harassment. And unless Kyle is the main boss of the company (again I remind you I only read the sample), he's in serious danger of being fired for his "joke".

enjoying this series

By Julie Kirby

OOh I forgot about Layla and Jared's connection!

I have been enjoying these books in the Alpha series, I love how the boys all connect and are fiercely protective of their ladies! The girls don't have a chance! LOL

Layla, upon meeting Kyle, keeps her guard up, although she doesn't know it yet, she is just about to meet the man of her dreams, she just didn't know it yet !

Of course we briefly met Kyle in Elisa's story, but we didn't really get much of a feel of him!

He of course, was a good guy, who was ready for a one nighter with Layla, but things don't always work out how you want them!

The unexpected interview took me by surprise too! didn't see that coming!

I thought they really connected and when her ex came back on the scene, Oh my poor Layla, but strong dependable Kyle wow he came through!

When John came back again, flipping heck how the hell can you make a decision like that! poor Layla, I was feeling her pain every step of the way!

It was nice to catch up with Ethan and Sadie, as well as Jared and Elisa, things are still going well for them!

Just downloaded Cassie and Janet's books and guess i'll be catching up with them now!
