Literary Criticism of the Old Testament

By maxime quintal

A wonderful introduction to the arcane world of biblical exegesis. Learn from this remarkably well-written book how modern scholars through the techniques of literary, form, and redaction criticism have transformed our understanding of the Old Testament.

Yale course book at an excellent price!

By cyberlill

I needed this book for the oyc.yale.edu course in Religious Studies. Very expensive elsewhere and hard to

find in the local library. Book was in stellar condition. They were a little slow to ship it but it arrived in great shape. Just factor in a few extra days for receipt. I would buy from them again.
