Discovering the best **Malik (Carter Brother Series Book 1) By Lisa Helen Gray** publication as the right need is type of good lucks to have. To start your day or to end your day at night, this **Malik (Carter Brother Series Book 1) By Lisa Helen Gray** will certainly be proper enough. You can merely look for the tile right here and also you will obtain guide **Malik (Carter Brother Series Book 1) By Lisa Helen Gray** referred. It will certainly not trouble you to reduce your important time to opt for purchasing book in store. In this way, you will likewise invest cash to spend for transportation as well as other time spent.

MALIK (CARTER BROTHER SERIES BOOK 1) BY LISA HELEN GRAY PDF

I'm Harlow Evans. Shortly after my parents were murdered I moved in with my Grandma. It meant switching schools, losing friends, and moving away from the only home I knew. All I wanted was to finish the school year hassle free.

Switching seats on that first day altered my life. After surviving the loss of my parents I never thought anything could break me, but then HE came into my life....

He wants to hurt me
Destroy me
Ruin me

Tragedy brought me here, and a cruel twist of fate has me desperate to leave. There's also someone here that has me fighting to stay though.

All my life I've lived in the shadows, trying to go unnoticed, until I met HIM....

Malik Carter....

He's broody, quiet, and holding on to a dark past. From that first meeting I was drawn to him, his painfully gorgeous looks and model physique, but I also knew he was totally out of my league.

He's the boy next door who, with his domineering personality, has somehow etched his way into my life.

When the Carter Brothers take it upon themselves to protect me from what's coming, I'm not sure whether to be relieved or shocked.

You see, when a Carter brother loves, they love fiercely, strongly and protectively. No one can get in their way. They're also used to getting what they want, even if it means getting hurt.

There's one thing you should know about the Carter brothers before you read my story....
If you mess with one, you mess with them all.

Lots of potential

By ecole

I have a huge amount of respect for writers. I could never sit down, come up with a plot and characters and then spit out an actual story. That means I'm in awe of Lisa Helen Gray for being able to come up with the first two books in the Carter Brothers series. But.. I don't know if it's the editing or the writing but "Malik" was pretty awful. Don't get me wrong, the storyline had a huge amount of potential and so did the characters. Unfortunately the story jumped around so much I felt like I had whiplash. Pertinent bits of information were injected at times that seemed completely inappropriate, like the author had just realized she had forgotten to mention them earlier and just stuck them in there as soon as she remembered to. The constant shifting of past to present tense was tedious as well as the substitution of words: "where" for "wear", "queue" for "cue" and so on into infinity. The thing that bugged me the worst was Harlow's name for her grandmother. If you want to shorten "grandmother" you don't add an apostrophe and make it "Gram's", it should be "Grams". I think this author has a lot of potential, just needs some writing classes and a lot of editing support to reach it.

I so wish it was good.

By lclreyes

I must be reading a totally different book. It was awful. The way they talked to each other and the grammar is a huge problem. I can usually get thru a book with grammar issues if the story is really good. I am sorry but I can not believe I paid for this.

Beautiful, Heartbreaking, Breathtaking, Raw, Incredible

By Amers

Disclaimer: I received a copy of this book in exchange for a fair and honest review.

Harlow and Malik are very similar in many ways, they just don't know that each other will be the others saving grace. Harlow's parents were murdered and forced her to move in with her grandma after their death. Malik and his brothers all live together and support one another making a living. They are both broken and hurting and need someone who loves them for them in their life. Will their love be enough for each other? Can Malik protect Harlow from Davis? Can Malik be the one that Harlow needs?

This story was beautiful. It was heartbreaking. It was breathtaking. It was raw. It was so many different things but wonderful doesn't seem to give it enough credit. This author has created two main characters that have flaw and have a heart breaking past for one reason or another. They have walked through hell and are still kicking. I loved them! The range of emotions that I felt while I was reading this story was incredible. I laughed, I sighed, I got angry, I wanted to cry, and I was happy.

There are some dark moments in this book and I think it is those moments that make you love the characters and fall in love with their story and their lives even more. The author did such a GREAT job writing this story. These brothers are not to be messed with and that makes them even hotter! Lisa used some incredible description while writing this story so it made it so easy to picture the story as it was told.

I really can't wait for her next book, Mason, to come out. Pick up your copy of Malik today, you won't regret it!
