About the Author

Arguably the greatest English-language playwright, William Shakespeare was a seventeenth-century writer and dramatist, and is known as the Bard of Avon. Under the patronage of Queen Elizabeth I, he penned more than 30 plays, 154 sonnets, and numerous narrative poems and short verses. Equally accomplished in histories, tragedies, comedy, and romance, Shakespeare's most famous works include Romeo and Juliet, Hamlet, Macbeth, King Lear, The Taming of the Shrew, and As You Like It.

Like many of his contemporaries, including Christopher Marlowe, Shakespeare began his career on the stage, eventually rising to become part-owner of Lord Chamberlain's Men, a popular dramatic company of his day, and of the storied Globe Theatre in London.

Extremely popular in his lifetime, Shakespeare's works continue to resonate more than three hundred years after his death. His plays are performed more often than any other playwright's, have been translated into

every major language in the world, and are studied widely by scholars and students.

a helpful book

By A Customer

This book is very helpful, at least for me. I gave the firstbook I bought to my friend because she needed to write an essay. andnow it's my second time that i am ready to buy this book!
