No such book was ever written by Wyatt. The "book" mentions this on page one. Do not fall for what is in essence someone taking advantage of a fictitious scene of in a movie.

Wrong title

This is not the actual book written by Earp. He wrote a short story entitled "the life and times of Doc Holiday." I read a copy in the early 80s for school but haven't seen a copy for a long time. I have not been looking either.
