Funniest story ever!

By KLV

>Book Review – Nightmare in Night Court -

>I am an independent reviewer. This is a short story that was previously included in the anthology "Shiver". All proceeds from this anthology go to the St. Jude Children's Research Hospital.

> The two sexiest lawyers, Gabrielle and Braden, are back and in Nigh Court, on Halloween. Now their normal cases are hysterical, but this group is so over the top, you won't be able to breathe with all the laughing. Ghosts, corpses, aliens and two sexy lawyers make this story so much fun to read.

>The quick wit and fast moving dialogue really gives a reader the feeling of being among the chaos in the court room. The romance between Gabrielle and Braden is twice as hot and seriously sexy.

> This book is for an adult (18+) audience, due to descriptive sex scenes.

Another Hilarious story by this author!

By cjr

This novella is O. M. G. fricking HILARIOUS!!!! Wear your depends while you're reading it because you're going to need them!

This is a novella about Braden and Abby, Braden is a former Prosecutor and Abby is a former public defender and they both get stuck with cases in Night Court in Philly on Halloween Night. Added to that is the ghost hunters that have set up in the courtroom because they and others believe there is a lot of negative activity going on in the courtroom. Let the hilarity ensue.

Having been an RN who worked nights in big trauma centers for 14 years and I have even more appreciation

for the crazies in this courtroom.
You will laugh yourself silly!!!

Hilariously adorable

By EILEEN M LEVITT

This was a cute sweet and hilarious book. I adore Silber's books and her characters are a hoot, and this book is no exception. Gabrielle and Bradon are now married and forced to work night court on Halloween. I'm not sure how so much was packed into such a short book, but it was. I'm also pretty sure that my insides hurt from laughing so loud. Loved it.
