OPTIONS TRADING: STRATEGIES FOR MAXIMUM PROFIT FOR BEGINNER, INTERMEDIATE AND ADVANCED USERS BY KEN MCLINTON PDF

Learn the Most Profitable Strategies to Make (and Keep) Money by Trading Options!

In this book, we teach you basic and advanced options trading strategies, including:

- The basic vocabulary for purchasing and selling options
- The Greeks
- The basic butterfly spread
- The out-of-the-money butterfly spread
- The modified butterfly spread
- Mini options
- The long call
- The long put
- Buying LEAPS, or long-term equity anticipation securities
- Bull call spread
- The collar strategy
- The costless collar
- Bull put spread
- Call backspread
- Married put
- Protective put
- Uncovered put writes
- The fig leaf, or the leveraged covered call
- Cash-secured put
- Top 10 mistakes new options traders make

Although this isn't everything you ever wanted to know about securities and options trading, this will explain the various options scenarios with an example of each trade and give you a reference for placing puts and calls.

This book will get you through the initial process of setting up your first option trade, choosing an investment firm, identifying fees and commissions, determining whether to hire a full-service brokerage or to trade online with a discount brokerage, and when to let go.

Important information for a beginner

By Evans Walker

Am new to this kind of trading but I think it's easier with an online brokerage account because of the variables involved in a typical options trade, as compared to a stock trade. You have to weigh in before putting your full interest in it, that's calculated risk taking is vital when dealing with Options trading and it's the reason for buying this book to get more knowledge.

Highly recommended

By Aaron

This is a book of its own type. I am very satisfied with its contents. This book educated me with great ways to control emotions in option trading, some awesome early options strategies and much more. Thanks to the author for sharing. Highly recommended, thank you!
