Review

'As Jenkins points out in the final pages of his book, criticism can be the sincerest form of flattery. I particularly relished his critical approach to the work of Bourdieu and believe that he has written a timely introduction which both undergraduates and experienced teachers will find stimulating and enjoyable.'- Mike Hepworth, University of Aberdeen

About the Author

Richard Jenkins is Senior Lecturer in Sociology at the University College at Swansea.

PIERRE BOURDIEU (KEY SOCIOLOGISTS) BY RICHARD JENKINS PDF

This short critical introduction to the sociology of Pierre Bourdieu is a model of clarity and insight. Where Bourdieu's original writings are often densely argued and ambiguous, Richard Jenkins is direct, concise and to the point. He emphasises Bourdieu's contributions to the theory and methodology while also dealing in detail with his substantive studies of education, social stratification and culture. His book provides the best short English-language introduction to Bourdieu's work.

Nice Overview of Bourdieu

By Spencer in Seattle

While not always terribly kind to Pierre Bourdieu (okay, the truth is that this book erupts into scathing critique at some points!), this is a very readable overview of Bourdieu's main ideas and books. Jenkins sees tremendous value in the questions Bourdieu poses and in how he always theorizes from a point of view informed by field research, and in still trying to get a grasp of this French theorist's work, I found this book equally valuable to my own purposes.
