SCOTT 2011 STANDARD POSTAGE STAMP CATALOGUE, VOL. 3: COUNTRIES OF THE WORLD- G-I BY JAMES E. KLOETZEL PDF

Thousands of value changes were recorded in Volume 3 of the 2011 Scott Standard Postage Stamp Catalogue, which includes listings and values for Countries of the World G-I. Ireland is the country with most value changes recorded with more than 3,600. Value increases in the stamps of Ireland are spread throughout the listings, and some are significant. The 1922 Provisional Government 2sh6p-10sh high-value overprints, Scott 36-38, show definite upward strength. Scott 36 moves to \$325 unused, \$550 mint never hinged and \$450 used for 2011, from \$200 unused, \$400 mint never hinged and \$325 used in last year's Volume 3. Other countries with significant changes include Ghana, Gibraltar, Greece, Grenada, Hungary, India, Iran and Iraq. Editorial enhancements include the addition of new lettered minor varieties in 21 countries and the appearance of several new major numbers for Guadeloupe and the Feudatory States of India.

This Series is "The" Reference for Stamp Collectors

By bethecondon

The Scott Postage Stamp Catalog Sections (the 7 major ones) are THE references for stamp collectors and sellers alike. I update my volumes only every few years, as the newest volumes are expensive for the individual (they are available in many library collections though). Used volumes 1-2 years old are attractively priced and should satisfy most individual collectors (retail stamp prices are somewhat out of date, but this is somewhat true for the newest volumes, although less so). With my acquisition of the 2011 set (updating my 2001-2 volumes) I was delighted to see that all the stamp illustrations are now in color (and there are many of them). The catalogs

are invaluable in identifying stamps-particularly those from countries whose language is unfamiliar. They also can provide both history and a geography lessons. Each stamp,whether pictured or not has a subject title and color scheme given for it. Finally,the advertisements within each volume can be helpful in identifying stamp dealers.

My purchase was just as good as buying the item new and much cheaper

By Eileen S Butcher

I didn't realize these books were available in 'used' condition. They are quite expensive to buy new therefore my husband only purchased this particular Volome about every 5 years. Now that he has passed on and I am in the process of evaluating his collection for auction this more recent issue is a great help to me.

Does the job!

By Kelly D. Gregg

A little out-of-date, but a lot less expensive! It is working perfectly well for organizing my collection of German stamps, and I really don't care if the values are inaccurate.
