Two women, centuries apart. One endless nightmare tearing Wales apart - and only they can stop it. Sunday Times bestselling author Barbara Erskine returns to Hay in the year that marks the 30th anniversary of her sensational debut bestseller, *Lady of Hay*. Hay-On-Wye, 1400 - War is brewing in the Welsh borders, Catrin is on the brink of womanhood and falling in love for the first time. Her father is a soothsayer, playing a dangerous game playing on the mixed loyalties and furious rivalries between Welsh princes and English lords. For two hundred years, the Welsh people have lain under the English yoke, dreaming of independence. And finally it looks as though the charismatic Owain Glyndwr may be the man legend talks of. In the walls of *Sleeper's Castle*, Catrin finds herself caught in the middle of a doomed war as she is called upon to foretell Wales's destiny...And what she sees, is blood and war coming closer...Hay, 2015. Miranda has moved to *Sleeper's Castle* to escape and grieve. Slowly she feels herself coming to life in the solitude of the mountains. But every time she closes her eyes her dreams become more vivid. And she makes a connection with a young girl, who's screaming, who's reaching out...who only Miranda can help. Is she losing herself to time?

Fantastic!!

By Bookworm

I've been a fan of Barbara Erskine's books since I first read *Lady of Hay* over twenty years ago. I wasn't over keen on her last book *The Darkest Hour* but feel she's back on track with this one.

Miranda, Andy to her friends, goes to stay in *Sleeper's Castle* to house sit for her friend Sue, who is going to Australia for a year. It comes at the perfect time for Andy as she has just lost her partner of ten years and also her home and possessions to her partner's ex-wife who appears to be slightly unhinged.

Staying at Sleeper's she meets lots of new friends. Ella and Roy run a bookshop in Hay, Sian is a friend of Sue's who lives nearby and Bryn is the gardener who comes and goes as he pleases and appears to be quite surly. Then we have the mysterious Meryn who is mentioned a lot but doesn't appear until half way through the book.

Andy is a sensitive person and can sense ghosts. When she stays in Sleeper's Castle she starts to 'time slip' in her dreams. She goes back to the time of uprising and revolution between Wales and England.

Here she encounters Catrin and her father Daffyd who live in Sleeper's centuries before. Their housekeeper, Joan and a young boy Peter also live there. Edmund, Joan's brother is called on to assist Catrin's father. He and Catrin fall in love but there are many obstacles in their path.

This book is all action. The happenings of the past and present combine. There are lots of factual people from the past in the story as well as the fictional characters. And let's not forget the mad ex-wife and a cat with a very supercilious expression.

This is a fantastic read. History abounds here and the fictional story is every bit as good. The writing is superb as usual. Be prepared for sleepless nights if you start this book. You won't be able to put it down.

Read in one go

By Rena Lyons

As usual with Barbara Erskine's stories, the reader is catapulted back to a different time in history. This time it is back to the times of Owen Glendower and the wars for Wales's independence from the English. Switching back and forth from then to today we are immersed in intrigue, mystique, supernatural forces and true evil. Historically, the book is well researched and the town of Hay and its castle once more play a prominent part in this book as well as in the very well-known "Lady of Hay" by the same author.

Finally a New Barbara Erskine!!

By swr0808

i love the way she weaves plots between the past and present. Sleepers Castle is an excellent read! My only gripe is too few of her books are available on kindle in the US. All her books are available on kindle in the UK. Please redress this inequality!!
