I "heart" cardboard art!

By Stefanie G.

[[VIDEOID:830859e06e62e1ea5c63dbe6af3c7411]]This book features amazing art made from such a simple material we all have and for the most part discard all the time. If you think you may be interested in making sculptures this may provide you a wealth of inspiration as to what a humble material can be transformed into. Along with the artists' features there is a bunch of tutorials in the back to get you started in working with cardboard.
