Ketu and Kaivalya

By James Williams

Marc Boney's writing style is a joy to read, as he is able to make even the most advanced concepts easy to understand! I found his elucidation here of Ramana Maharshi's horoscope and enlightenment extremely instructive. And I especially enjoyed the sections of this book entitled "Classical Combinations for Spiritual Liberation" and "The Spiritual Components of a Chart" as they are chock-full of information that is not readily known. For those who have a fundamental knowledge of Jyotisha, and who are interested in how Jyotisha addresses the topic of enlightenment, this book is a must-have addition to one's library.
