Great arrangements and selections

By George

The variety of songs and the arrangements are a great combination. The book is appropriate for the level of student suggested and my students are looking forward to playing the entire book!

Beatles duets

By Jennifer Cummins

Great arrangements at early intermediate to intermediate level. Also playable on two pedal harps or one pedal and an advanced lever harpist.

Very good, simple arrangements

By Fletch from the West

This is an excellent duet (four hands) piano book. A lot of times the arrangements are not well done on these easy to play duet books but these are very nice. Great choice of Beatle songs and very fun to play.
