The Aberration was only the beginning.

In events that take place directly after the mill explosion, FBI agent Dylan Plumm's investigation puts her on the trail of the Blurred Man, a mysterious individual who may have been on Earth for hundreds of years. The case turns deadlier at every turn, placing Dylan in the cross-hairs of shadowy antagonists even as she unravels a centuries-old mystery.

But when Dylan comes face-to-face with the Blurred Man, will he be an ally...or her deadliest foe?

- Author's note: This story is part of the Prometheus Saga, an experimental anthology featuring a single character who's life spans centuries as an observer of earth and mankind. The entire anthology is collected here: <http://www.amazon.com/gp/product/B017081GKW/>

## **INTERVIEW WITH THE AUTHOR**

Q - What is The Prometheus Saga?

A - In The Prometheus Saga, twelve authors unite to interpret how an alien presence would interact with the human condition over a time period that spans from the dawn of man to the present. The stories cross genres and genders, allowing for entirely different narratives and insights on historical events and the human experience.

Q - Where should a reader start when selecting a short story to read in The Prometheus Saga?

A - Each story is self-contained and can be read in any order. The reader is free to select any of the stories at random to begin their experience. Each short story has a different setting in history. The book description will explain the time period setting for each particular story.

Q - What is this alien probe?

A - An alien civilization landed a probe on Earth at the dawn of mankind. This probe, a form of artificial intelligence, can morph into any human form, take on any human identity, either male or female. Its life spans hundreds of thousands of years. Its mission is to report everything it can about us to its home planet. What this humanoid observes and learns over centuries of human existence will be interpreted through each short story in the saga. The alien probe is as mythic as Prometheus, the Greek Titan who was said to have brought fire to mankind.

## **About the Author**

Bard Constantine writes gritty futures and far-flung fantasy. His love of those genres catapulted his writing

career, which includes the Troubleshooter novels, featuring the private eye of a dystopian future. Other novels include the horror/sci-fi novel *The Aberration*, and *Shadow Battles*, a recently released epic fantasy series. A huge fan of edgy, fast-paced television shows, Bard paces his stories in a similar fashion, keeping his readers hanging on from chapter to chapter. Bard lives in Birmingham, Al with his wife and unbridled imagination. Keep up with his work at <http://barwritesbooks.com> and at Facebook at <https://www.facebook.com/bardwritesbooks>
