Outstanding Christian "difficult topics" book that is easy to read

By Ken Kallaher

I purchased 20 copies (3 separate orders) of Hank's best selling Bible Answer Book to use with a small group Bible study. We started out with 8 participants, but when others heard about how well Hank deals with potentially difficult topics, the study grew and I had to reorder more books (twice). Each issue or topic is typically covered in a "stand alone" fashion in 2 pages (some complex topics require more pages). You can easily look at the table of contents and read/study only topics of interest. There is no need to read from the front to the back. The book is based on almost 30 years of Hank answering questions every day on the Christian Research Institute's Bible Answer Man radio call in program. I strongly recommend the book. Whether you are a mature lifelong Christian or someone who is brand new to the faith, I am confident that you will learn from and appreciate the book.

His radio show is wonderful as well

By mbklr

Mr. Hanegraaff explains his answers and backs them up with complete investigation of biblical history. His radio show is wonderful as well. If you question the bible, (any part of it), or just need clarification, this is a great resource.
