Winner, Tales of the Cocktail Spirited Award 2016 -- Best New Cocktail & Bartending Book

"Long before they had a place to hang a sign, Sean Muldoon and Jack McGarry, barmen from Belfast, Northern Ireland, had the name for their bar in Lower Manhattan: the Dead Rabbit. And in their new book, the story of these two men, who have become admired cocktail-makers, makes a good read. So do the recipes and their lively explanations."

--The New York Times

"If you like your cocktails classic and with a side of old timey New York City swagger, this is the cocktail book for you."

--Epicurious

"For anyone interested in cocktail culture, it's a fascinating read."

--Tasting Table

"Tells the story of how the bar came to be, and the drinks that make this place so special."

--The Kitchn

"Enduring change, or legacy for that matter, is only possible when the existing order in its entirety is taken into consideration before adaptations are made. And here we have it. In concept and execution, The Dead Rabbit Drinks Manual, which chronicles the stewardship of Sean Muldoon and creativity of Jack McGarry, is a peerless, over-the-shoulder case study in how history is used to make history; with twists and turns in the

modern plot nimbly portrayed by Ben Schaffer that recall the turbulent times of the bar's brazen namesake.”
—Jim Meehan, author of *The PDT Cocktail Book*

“Sean and Jack have created a ‘hundred year bar’ they call The Dead Rabbit Grocery and Grog; their quest to be the best has gifted New York with these rooms of endless delight. Once before in the last century two partners, Jack and Charlie, made a similar kind of magic at 21 West 52nd Street, still open and just a half-dozen years shy of a hundred years. Pick up *The Dead Rabbit Drinks Manual* and find out what makes a ‘hundred year bar.’ ” —Dale DeGroff, author of *The Craft of the Cocktail*

“If ever a cocktail book was a grimoire of occult potionology, it’s this one. Sean Muldoon’s fierce determination to excel and Jack McGarry’s intensely focused artistry of the bar shine through in every recipe here, be it for one of The Rabbit’s characteristic virtuoso riffs on the classics or for one of its sublime originals.” —David Wondrich, author of *Imbibe and Punch*

International barman SEAN MULDOON is the founder and general manager of the Dead Rabbit Grocery and Grog in New York City, and formerly the bar manager of the Merchant Hotel in Belfast. At the Merchant, Sean soon established himself as Ireland’s preeminent cocktail authority by elevating the hotel’s cocktail experience with artisanal ingredients, handcrafted techniques, and exceptional service. In July 2013, Jack was honored with the prestigious *Tales of the Cocktail* "International Bartender of the Year" award, making him the youngest-ever recipient and only the second in America.

BEN SCHAFFER has been “the voice” of the Dead Rabbit since even before its launch, writing all its promotional materials, including advertising, website, and social media. This is a must read for those who imbibe, enjoy making their own cocktails and/or those who just appreciate fine writing. Ben Schaffer's elegant prose is laced with mischief and merriment. A true storyteller, Schaffer

weaves the history of a drink into a modern elixir. The cocktail recipes by Muldoon and McGarry cry out to be made and enjoyed. It's also made my Christmas shopping a lot easier this year!

The best drinks you have never heard of . . .

By T. Trentler

So, this is not your average bartender's manual. The drinks and the recipes are Awesome. Awesomeness takes work. Ingredients will need to be made and looked up (Bitermens Hellfire Habanero Shrub, Pimento Dram!?!). There is a reason why The Dead Rabbit is constantly named as The Best Bar in NYC and the attention to detail in these recipes will help you scale Sean Muldoon's mountain top.

The best part of these recipes is that you have not heard of many of these drinks. These are hundred year old forgotten cocktails with a modern twist. There are no Margaritas and Cosmopolitans to be found here, just great recipes that with a bit of effort will make your friends speak of your mixology skills in quite reverence and awe.

Whisky is your friend.

One last note. The best Irish Coffee I have ever had was at the Dead Rabbit. The recipe is inside. Simple but very good.

More than I expected!

I've been in the industry for over 20yrs. This book has to be one of the best collection of information I've seen in a long time.

I rate this at the same quality level as Dale Degroffs Craft of The Cocktail.

Well done!
