Jonathan Edwards (October 5, 1703 – March 22, 1758) was a preacher, theologian, and missionary to Native Americans. Edwards "is widely acknowledged to be America's most important and original philosophical theologian," and one of America's greatest intellectuals. Edwards's theological work is very broad in scope, but he is often associated with his defense of Reformed theology, the metaphysics of theological determinism, and the Puritan heritage. Recent studies have emphasized how thoroughly Edwards grounded his life's work on conceptions of beauty, harmony, and ethical fittingness, and how central The Enlightenment was to his mindset.

not a easy read, but a excellent read

By Amazon Customer

Edwards is a very in depth puritan writer. Writes very spiritual to distinguish the true marks of the spirit of Christ dwelling in a believer. Man of truth. Man of faith. Man of GOD. Does not sugarcoat anything, real divine writing. He uses a lot of commas to emphasizes his points, not a easy read, but a excellent read.

Insightful

By Larry B. Duncan

Outstanding insights.

2 of 4 people found the following review helpful.

As Always - Edwards Covers The Subject Thoroughly

By Amazon Customer

This book is really a five-star book. However, I dropped the rating to a four-star in consideration of those who struggle with the older authors. However, if you are willing to 'work' a little at what you read, then this book clearly and concisely covers exactly what the title says it will.
