THE MOGUL'S RELUCTANT BRIDE - BOOK TWO (BILLIONAIRE BRIDES OF GRANITE FALLS 2) BY ANA E ROSS PDF

Book Two: There's only so much rejection a heart can take...

Following the deaths of her sister and brother-in-law, Kaya Brehna is awarded custody of their three children. To avoid financial ruin, she must move them to Palm Beach where her successful career in interior decorating can provide financial security. Her plans are, however, thwarted by New Hampshire business mogul, Bryce Fontaine, who is determined to keep his godchildren in Granite Falls at all costs—even emotional blackmail.

Ever since he lost his own family five years earlier, Bryce Fontaine has been a tormented soul. His godchildren are the closest thing to family he has, and he'll be damned before he let some corporate ladder-climbing stranger take them away from him.

When a second will surfaces that changes both their plans, to keep the children's world intact, Bryce and Kaya enter a loveless marriage of convenience that, nonetheless, sizzles with unrelenting passion. Does Kaya have the power to free Bryce's heart from the nightmares and demons of his past, or will his fears cause him to lose the family he's grown to love so dearly?

Love the Second Time Around

By Kindle Customer

I stumbled on this this author by accident. The Doctor's Secret Bride - the first story in this series, was free. After reading it, I wanted more and that's what I was given. This story flows wonderfully. I will say that I yelled at one time to have sex already (but I've done before....lol.) I called Jack a jack\$\$ way before the author got around to it. The love scenes were not too hot, they were just right. I liked that the kids were always incorporated in the story. Even though they were progressing, they were in uncharted water, yet they knew that someone was there for them, especially that strange aunt that they'd never met. What happened in the office was perfect. Bryce finally realized what he had to do to be happy. The cemetery scene - priceless. He was able to say good bye in his own way and I could see him crying, but finally being at peace with moving on. I almost pasted this book up because of all the spoiler's that a previous reviewer had given. I'm sorry that he or she was not happy with the book and gave a lot of it away, but it is fiction after all. If he or she wanted a different ending, may he or she should catch a reality show or something. Looking forward to Book Three.

WHAT you have not read this yet!

By deedee810

I Loved this book, I read the first one and told my friends about how good it was. I have been stocking Ms.Ross web site waiting for the next book lol. I had just finished reading a book and was looking for another to read and guess what popped up The Mogul's Reluctant Bride....lol I was running around in a circle like a happy puppy and trust me I was not disappointed the book was well written and I loved Kaya and Bryce together and I hated when the book ended...now I have to wait until September what will I do. 5 stars hands down.*****

Well done

By Gledé Kabongo

I read the first book in the series, The Doctor's Secret Bride and was hooked on this author. I couldn't wait for book two and it was well worth the wait. I read the Mogul's Reluctant Bride in one afternoon.

Twenty-three year old Kaya suddenly finds herself the legal guardian of three children following the death of the sister she never met but she's determined to take her responsibility seriously. Bryce Fountaine is a sexy billionaire who still wrestles with demons from his past but there's no way he's going to let Kaya take his three precious God-children out of Granite falls. What ensues is a compelling tale of family, sacrifice and of course red, hot passion between Bryce and Kaya. The characters are well drawn, down to each of the three children, and the plot deals realistically with loss and the impact it has on children.

I love that this author takes her time to build the story, build the suspense before the two main characters jump into bed. It's quite refreshing in the romance genre. There's a scene in this book that's a great set-up for

book three in the series. I can't wait to find out why Massimo jetted out of Bryce's office at the mere mention of getting a wife.
