A great college textbook

By Paddywhack

This was a great college textbook which covered a broad range of topics. It is broken up into logical chapters and presents the information in an easy to follow format. Plus I made an A in the class!

Textbook Rental

By Constance Hansen

The product was in great shape. I am renting this text book and it is in excellent shape. The price was great for a rental. This was much more efficient and cost saving than buying the book new for 83 dollars. The rental cost and shipping was a third of the cost of buying a new book. I will definitely rent from Amazon again.
