Amazing Cuckold and Hotwife Erotica!

By Richard Dillfred

I love stories about husbands who come to realize that it's one big turn on to see their wife with another man. In this tale the hubby comes to realize it's really his only choice or he'll lose his sexy little hottie. The story is about a newly married couple seeking a little sexual spark! They try swinging but it does not work out all too well. James just can't keep up with sultry Tiffany still and bedroom play begins to turn to disappointment. Then a terrible accident regarding James, followed by a wild opportunity for Tiffany leads to big changes in their marriage. The wife becomes the woman she has within and the husband has no choice but to allow her to pursue financial gain via sexual escapades. It's a hot book, well written and full of all sorts of crazy encounters where cuckold must watch and or join his smokin kitten of a wife. Bravo Derrin Hart!

Can't win

By Desmond A.

I'm giving the stars I'm giving solely because I don't want to discourage author's from dipping into the cuck pool. But the writing was horrible. I don't know who these people are giving this all the the good ratings but I experienced the complete opposite. I understand that you don't have to live something to write about it, but you do at least need to research and put yourself in that person's shoes. I had little empathy for the main characters because they were not full, developed people, and while the premise is one I prefer, I still could barely get through this one. Too bad because I read a great cuck story the day after I finished this one and it was so short. Can't win.
