Lost in thought, Billie got into his Jaguar and placed his head on the steering wheel. Suddenly he realized he had become just like the men he vowed never to become. He was doing to Nicole just as those men had done to his mother. Billie had gotten three women pregnant at the same time, but, he only knew about two of the pregnancies when his world was turned upside down. It has been said that a man can only love one woman at a time, however, Billie loved three: his woman, his secretary, and a woman who has been lusting after him since junior high. A sex machine and a gourmet lover, Billie leaves a sting that's so addictive, and just like a crack head craves crack cocaine, his women crave him. The sex scenes in Unfaithful will arouse a man more than Viagra. Women beware and read at your own risk. This book is truly a cliffhanger, and you could never guess the ending in a million years. Ride the Unfaithful roller coaster and in the end, you will be speechless, you will despise one of his lovers, and you will be hungry for part two.
