Brilliant intro and intermediate ethics book

By Headphone Jack

A very intense ethics book that is not for the feint of heart. The works by Kant were fascinating and convincing and I now consider myself a Kantian, to be sure. Easily the most important book I've ever read and definitely my favorite philosophy book.

Just outstanding.

Excellent product!

By Trice

It's brand new! I was impressed, and surprised!! this has been very helpful and i thought for the price I was going to get a low quality product! Boy was I proven wrong!!! this is an excellent vendor!
