Reviewing this e-book **Voices From The Edge Of Eternity By John Myers** will not make you pointless. It will give much more benefits.

About the Author

Dr. John Myers was raised in Lawrence, Kansas, a small "Jayhawker" town sitting in the shadow of Kansas University. After high school and three years in the army, "Dr. John's" undergraduate studies were quite diverse: basics at Bob Jones University; engineering at the University of Wisconsin; and three years of Bible study at Prairie Bible Institute in Alberta, Canada. After that, Dr. Myers earned a doctorate in Chiropractic at Palmer Chiropractic College in Davenport, Iowa.

After graduation and an extensive background in several areas of natural, non-toxic healing, Dr. Myers focused his research in the field of medical electronics. He has developed the DHSWT program (Dual-Harmonic Sound Wave Therapy), a unique bio-electronic technology with significant potential. Utilizing the DHSWT program, Dr. Myers is presently concentrating on perfecting a new approach to adult stem cell therapy. Myers' new work is significant in that it is non-invasive, completely benign, and projects the potential of an inexpensive program readily available to all who need it

Dr. Myers presently lives in Clarksville, Tennessee.

VOICES FROM THE EDGE OF ETERNITY BY JOHN MYERS PDF

Dramatic testimonies of near-death experiences and visions

Voices from the Edge of Eternity is a compilation of the words and experiences of people both famous and obscure just before their deaths. Young and old, great and small, saint and sinner—these testimonies confirm the biblical doctrines of life after death, judgment for the nonbeliever, and eternal life for those who have accepted Christ as Savior.

Included are the experiences of a formidable array of witnesses, such as:

- Martin Luther
- Voltaire
- John Wesley
- Jeanne d'Arc
- Thomas Paine
- Charles Darwin
- Queen Elizabeth I
- John Calvin
- Napoleon Bonaparte
- King Charles IX of France
- Peter the Great
- ...and many more.

This fascinating collection of thoughts and experiences highlights the remarkable agreement of their testimonies, and the light that each account sheds on the life that awaits us after death.

voices from eternity

By donnie jolley

John Myers has obtained recorded accounts of people on the verge of dying and written the accounts unedited. The stories are so realistic that you are brought to tears and wonder. The time covered goes almost to the time of Christ. I have read the book several times and have loaned to friends only to almost fight to get it back. I would not part with my copy for any money.

Hope of life after death

By Jonelle Vargo

The book has been well documented and showed two different types of death--"hopeful" and "without hope". Various people gave their testimonies of both types of death. This has an important message for all of us today. There are still many skeptical of life after death. This book should help the reader to see the differences between hope and without hope. Read this book with an open mind and be willing to see the messages God wants you to understand and believe. May you receive hope (if you are searching for it) as you read Voices from the Edge of Eternity.

4 of 4 people found the following review helpful.

One of those 'gets you thinking' books. Comforting and frightening at the same time.

By paula stratton

discovered this book years ago. Wonderful message to the world. Gave it to someone without realizing it was out of print. Panicked

until I thought of Amazon. Have since order several copies through the years, passing them on to others. Always pleased with the service. Very glad to know it is back in publication.
