## Review

"Real women, real sex. Really hot! Sacchi Greene is well known in lesbian erotica circles, having written for, and more recently, edited numerous anthologies over the years. Wild Girls, Wild Nights is the first time she has gathered stories from both published and brand-new writers about their own sexual experiences. There are stories about first times, threesomes, forbidden sex during the 'Don't Ask Don't Tell' era in the US military, strap-ons, sex toys and online meetings that turn into romance and marriage."

—Curve Magazine

"A good middle ground between softness and innocence, and the gritty reality of women knowing what they want, then going out to get it [...] It's just a damn good, thorough, well-organized book."

—Millennial Toybox

"Butch-femme, BDSM, vanilla, spanking, and one wild fox hunt- this anthology has a story for every taste! Out of the 20 stories presented in this collection there wasn't one I didn't like- every story was unique, engaging, and had a different flair to it. I enjoyed reading some authors whose stories I've read before and also enjoyed discovering some new authors."

—Lipstick Lesbian Reviews

"A little pervy, but oh so believable."

—Dr. Dick's Sex Advice

"Reality doesn't have to be prosaic. Real sex can be wet, messy, frenzied, sometimes even awkward, but never boring. With these writers and seventeen more, Wild Girls Wild Nights: True Lesbian Sex Stories is the proof of that."

—Lezbelib

"This anthology is not only hot, fast-paced, and horny, but it's deliciously memorable. "

—V.C., author of The Man on Top of the World

"Sacchi Green has gathered together stories that blow my mind."

—Kink, etc

"If you find yourself in the mood for sexy stories that also do the (very attractive) work of representing various types of relationships, debunking sexist stereotypes, and showing the capacity for care between people, then this is your book."

—Slix

"Rather unusually, this raunchy collection of lesbian sex stories is based on personal experiences rather than fantasies. Writing honours are shared between well-known names and newcomers."

—Erotic Trade Only

"There are first times, life-long commitments, and fleeting encounters to savor for a lifetime."

—Erotica Readers and Writers Association

"Anyone who assumes erotica is just not their thing may think twice after reading these stories. There's warmth and humanity here, and a perfect balance of sex with storytelling. I picked it up to pass the time on a humid night made even swamper by an hours-long electrical storm. From the time I started reading until I put it down for the night, the temperature in my room rose five degrees. Just saying. *Wild Girls, Wild Nights* is fresh, provocative and very hot."

—Lambda Literary

"If your main interest is simply in reading some hot, believable, girl-on-girl tales, you won't be disappointed."

—Erotica Revealed

"This is an erotic book not to be missed. It is smoking hawt! Ms. Green brought together some amazing smexy f/f stories. Those who enjoy all kinds of kinky fetishes with girl on girl sex, this is the book to read."

—BDSM Book Reviews

"Ladies who love ladies can kick their hot-and-sweaty summer into high gear with *Wild Girls, Wild Nights: True Lesbian Sex Stories*, an anthology of real stories from real women, edited by Sacchi Green. Intimate, unrestrained details of wet, messy, frenzied and sometimes even awkward sex lives unfold in one tantalizing tale after another, the full collection of which are sure to add a little more heat to the beach."

—Frontiers LA

"Indeed, these stories are wild and sensual and they run the gamut from using strap-ons to a bit of S and M and occur in places all over the world."

—Amos Lassen

"This story is about the beauty of connecting with your own desire and finding something you didn't even know you needed."

—Miel Rose

## **BY SACCHI GREEN PDF**

There are the fabled urban myths of lesbians who fill up a U-Haul on the second date and lead sweetly romantic lives of cocoa and comfy slippers. Safe and sound. A lot of cozy and not much crazy. These are NOT those stories- these are wild women with dirty minds, untamed tongues, and even the occasional cuff or clamp. A lotta crazy and no cozy slippers to be seen. These Wild Girls tell stories of their own Wild Nights (and days,) memories too hot to keep undercover. Real women with real needs and overwhelming desires find the courage to reveal intimate, unrestrained details of their sex lives, the need to share their stories second only to the urgent impulses that drove the action in the first place. There are first times, life-long commitments, and fleeting encounters to savor for a lifetime. Tenderness merges with edge-play; scenes shift from Caribbean islands to desert battlefields to the ultimate privacy of home; and the writers range from well-known names to newcomers driven to share fresh memories they'll never forget. In Evan Mora's "The Insatiable Travel Itch," repression in public drives her wild. "Transported, transplanted, we are transgressors. And it makes me fucking wet." Angel Propps struggles to face her deepest desires. "The word Daddy had a familiar shape on my tongue, but not in my head, and for one second I was sure I was going to Hell—and then I came." She'd found, of course, "The Daddy I Didn't Know I Needed." Anna Watson, in "Tamago," gives a poignant and sizzling view of being a lesbian femme who loves butches. "I know being femme is what makes the breath blow out of me when she calls and says, 'Babe, I just wanted you to know that I was driving along here, thinking about your breasts.'" Reality doesn't have to be prosaic. Real sex can be wet, messy, frenzied, sometimes even awkward, but never boring. With these writers and seventeen more, "Wild Girls, Wild Nights: True Lesbian Sex Stories" is the proof of that.

Something for EVERY taste

By R Nicole

Butch-femme, BDSM, vanilla, spanking, and one wild fox hunt- this anthology has a story for every taste! Out of the 20 stories presented in this collection there wasn't one I didn't like- every story was unique, engaging, and had a different flair to it. I enjoyed reading some authors whose stories I've read before and also enjoyed discovering some new authors.

Some of the stories especially stood out to me and one of them is the very first story in the collection: *Polvo de Hadas* which includes some interesting uses for spices and a good ol' fashioned love story. In *Foxy and the Ridiculous Lesbian Orgy* the author details a party she threw where guests wore animal designations in an attempt to "hunt" the fox. I couldn't believe this story was true and was a little disappointed it ended so quick. *Ring of Roses* tugged at my heartstrings as the protagonist feels as if she'll never truly "have" her lady since old mementos of the past are scattered around her lover's home. This story was easy to relate to and ended with a very sensual love scene. In *Odds I was transported to Tel Aviv* and read a slightly comical story about a woman whose disaster soon turns into passion. Finally, the writing in *Guise and Dolls* was spectacular and witty- one of my favorites in this collection! I also appreciated the variety of butch-femme stories in this collection since I am always on the lookout for butch-femme romance in novels.

There is definitely something exhilarating with reading true sex stories and learning intimate details of someone else's life. Therefore I highly recommend this collection as the stories were entertaining and you may pick up a tip or two along the way. This collection was extremely well-written and will probably be taken off my bookshelf quite a bit to revisit some of my favorite stories.

Good reads about some liberated ladies

By Alex

Get ready for a wild ride that leaves you totally satisfied. If you are like me and spent the last decade reading fem slash fanfiction for free buying an actual book might seem a little out there. I would say give buying a try for this collection for you or a friend. It is a great collection of short stories for every reader's palate. These are tales about women in all walks of life either at home, at war, in relationship, or on the prowl. They are all interesting and deeper than just getting down for the sake of getting down. It gets at least 4 stars for never making me suspect it was actually written by a straight man (more of a problem on tv, but a struggle nonetheless). These are definitely stories written by women, for women who like women. They are refreshing fun, sometimes heartbreaking; often dealing with issues of acceptance and insecurities everyone can relate to. Its nice to find mainstream erotica that handles sex with some genuine tenderness and humor. Plus I got a lot of relationship advice for both in and out of the bedroom (or most household surfaces). I am not totally sold on the whole chili powder thing, but, in general, its solid, applicable stuff. The cheesiness of the title and cover had me hesitant at first, but this book was a whole lot of fun to read and I enjoyed it.

Great read, a SEXY mix of well-written true stories

By Olivia

This book is a welcome change since the stories recounted are true. And they're sexy! They are also well-written and interesting. The wide variety collected will provide something for everyone (there are 20 stories).

Sacchi Green did a great job assembling this anthology.
