All of the s***s and giggles

By Jon Kemppainen

This book is not something you should read in a waiting room unless you want to bite your tongue very hard to stifle laughing like a maniac.

Too bad a certain tale that involved a Little Caesars inside of a K-Mart before a Detroit Pistons game didn't make the cut.

You've got to be s***ting me

By mvb

Laughed with tears streaming down my (facial) cheeks! Eyes so full of hysterical tears that I had to stop and get some tissue cos I couldn't see to even finish a sentence! Thank you! I really really needed that! Omg!! Still laughing!!!!

ALERT!! Just so you know- This review was NOT written be Jason Wolverton, it was written by me, mvb!!!! I've tried to correct the name but that's about the only thing that I can't change. AUGH!!!!!!

Funny but not hilarious

By Kindle Customer

This book seemed like it was going to be hilarious but sadly it fell shy of the mark. Parts of the book gave me a good laugh but most of it was just running commentary that was too long. Good read if you're in a waiting room, it's a fast read, but could have been better.
